## MISSION STATEMENT

The Seventh-day Adventist Church recognizes teaching as a ministry and, therefore, an essential element in spreading the Gospel to the entire world. By fostering a growing relationship with Jesus Christ, our Creator and Redeemer, Seventh-day Adventist teachers have the privilege of leading and encouraging students on their journey toward wholeness. The online teacher certification courses are designed for professionals who teach in Seventh-day Adventist schools. The focus is to advance scholarship and innovative teaching and learning practices to meet the needs of today's diverse learners. The courses will provide opportunities for collegiality, discussion of important issues, and collaboration while utilizing the best available technology to promote excellence in teaching and learning.

## ATTENDANCE AND EXCUSED ABSENCES

Please review Southern's Absence and Attendance Policy in the University Catalog-Academic Policies Section. These policies are in both the Undergraduate and the Graduate Catalog.

In an online class, attendance looks different than it does in a face-to-face course. For the most part, other than on Sabbath, you should enter eClass daily, especially given that this course is an intensive. Please note that the professor and course coach check logs of eClass to ensure that students are actively engaging with the course materials. If you are inactive or miss an assignment, you will be contacted. If an assignment has not been submitted by the due date, a grade of zero is entered in the gradebook. If you wish to submit that assignment, please contact the professor to find out if you may and what procedures should be followed unless that information is provided in the gradebook comment accompanying your grade of 0. On days and times designated in the Course Schedule, we will hold a class meeting where we will have a worship thought, a brief review of that week's content, and a time

for questions and clarification. Please plan to attend these meetings. Attendance is STRONGLY encouraged. If for some reason you cannot attend, each session will be recorded. We will generate a link to that recording and place it in eClass in the week in which the meeting took place.

**Reporting an Illness.** Remember to email the professor if illness or emergency prevents your attendance during a Live Conference session.

## COURSE ACCESS AND TEACHER CERTIFICATION INFORMATION

The website for course access is <http://eclass.e.southern.edu/>. Here you will find an electronic version of the syllabus, descriptions of course activities and projects, and links to a variety of resources, including Southern Adventist University webmail, McKee Library, Campus Bookstore, and tutorials. There are two ways that you can login to your online course. The course will appear as a link on your Southern Access account <http://access.southern.edu>. You can also put **eclass.e.southern.edu** into your browser and enter your username and password. If one method does not work, try the other method.

## UNIVERSITY STANDARD FOR WRITING

Southern has specific expectations for written work from graduate level scholars. Although you will turn in your papers and other written assignments electronically, the correct mechanics of proper punctuation, sentence structure, and paragraph organization is expected.

You will be required to format your work according to American Psychological Association 6 (APA 6) style. If you are not familiar with that style, we have provided a helpful link <https://owl.english.purdue.edu/>

## GRADES AND FEEDBACK TO STUDENTS

Feedback on graded assignments will be provided within the eClass gradebook within which you can see feedback files, graded rubrics with comments, and comments on specific assignments. Assignments are graded within 48-72 hours unless otherwise noted by your professor within the syllabus or through a News Forum announcement or email. If you would like additional feedback from your professor, please contact him or her via email or schedule a phone call or video conference during office hours as posted in the syllabus.

You can access your grades by clicking the "grades" link at the top middle section of the course home page above the course header. This section contains an overview of the grades you have received so far in the course. The list of items and the points received for each item is provided here.

## EDCI522T-A COURSE DESCRIPTION

Experienced teachers develop pedagogical knowledge, skills, and dispositions related to effective religious (spiritual) instruction in Kindergarten-6th grade. Teachers examine and apply the features and phases of the Adventist Bible Encounter Curriculum. Strategies will be taught within the context of leading children into a personal relationship with God, providing them with a belief system, and teaching them the principles of discipleship. Focus is placed on using the natural learning cycle to develop lesson plans, including cooperative learning structures and Dimensions of Learning.

## EDCI522T-A GOALS AND OBJECTIVES

Learning activities are designed to accommodate diverse learning styles. Coursework is designed to enable educators to meet Interstate Teacher Assessment and Support Consortium (INTASC) standards and the Conceptual Framework (CF) of the SAU Teacher Education Program. Upon successful completion of this course, you will be better prepared to:

1. Articulate biblical foundations for teaching the Bible.
2. Assess and develop activities that foster Christian discipleship and service (CF 1.a-d).
3. Examine and analyze personal teaching methods with those found in the book *Special Testimonies on Education* (CF 1.d; INTASC 8.)
4. Collect, analyze, and apply current educational materials and technology resources for classroom use (CF 2.b-e; INTASC 9).
5. Develop Unit Plans using brain-based learning principles and varying learning styles (CF 3.a-b; INTASC 8).
6. Develop lesson plans that are based on a particular passage of Scripture using the Inductive Bible Study approach.
7. Write Lesson Plans following the NAD Encounter format (CF 2; INTASC 7).
8. Implement teaching and assessment strategies and that impact every student in the classroom (CF 2.d;3a-d; INTASC 6).
9. Communicate respectfully and successfully through online messaging with video and audio (CF 4.a-b; INTASC 10).

This course provides a theoretical and practical opportunity for teachers in a Seventh-day Adventist Christian school to create a classroom environment which draws children to Christ. As teachers consecrate and commit themselves to the Truth Giver. They design activities and develop skills that nurture spiritual development of K-8 grade students. Emphasis is placed on a delivery model that reflects student needs, diversity, and academic outcomes. Candidates are expected to illustrate skills using multimedia presentations.

All postings to the course website, via discussion questions, Conferences, or email, should follow the rules of good Netiquette. This includes observing professional and ethical standards.

**LIVE CONFERENCES** Conference Sessions are synchronous (live or real time) discussions between students and faculty. This course has **five mandatory** Conference sessions. They are an opportunity to "speak" education and are "*mini-exams*" on the assigned readings and assignments. These graded Conference sessions will utilize Zoom. The Conferences are designed to guide your study and understanding of the Week through interaction with your peers over basic issues, key concepts and crucial information. During these sessions, be prepared to share insights, key ideas, and how your own practice will change as a result of the learning process. During the live sessions each person will be given the opportunity to share reflections using the following guidelines:

1. Short description of assignments/activity(ies) covered during the weeks previous to the session
2. Key ideas gleaned
3. Insights discovered
4. How your own professional practice will change

**VISION STATEMENT** Develop a vision of instruction that explains how your personal values and beliefs influence your thinking and teaching. Explain your perceptions about God, yourself, and the students you are responsible for molding spiritually and academically. Write a one-page vision statement.

**ANNOTATED BIBLE TEACHING BIBLIOGRAPHY.** As a graduate student you are expected to investigate, apply, and improve theories and practices. For this course, you will research Bible teaching strategies. Select at least 12 references from peer reviewed journals that relate to teaching and learning Bible. The topic might deal with standards, content, strategies, the learning environment, planning for instruction, family communication or any other area that would enhance the teaching and learning of Bible. Follow APA guidelines to summarize, evaluate, and/or assess the references. Identify the topic that you have researched.

**TEACHING WITH STORYTELLING** Select a Bible story from the list provided on the Teaching with Storytelling Discussion Board. (Once that story is selected it cannot be chosen by anyone else.) Prepare one of the following for the story:

1. Write a script for a dramatic play that students can perform.
2. Create an *animated* movie of the story.
3. Create an *animated* Gami video series to summarize the story (<https://tellaqami.com/>).
4. Create a PowToon video of the story (<https://www.powtoon.com/>).
5. Use some other media format to animate the Bible story.

Be as true to the Bible account as possible in speech, character, historicity, and spirituality.

**LESSON PLAN PORTFOLIO** Create a Lesson Plan e-Portfolio. Combine the activities completed during this course, as well as other appropriate resources, to help create your LP e-Portfolio. Use one of the online programs of your choice such as “Livebinder” at <http://www.livebinders.com/> or “Pathbrite” at <https://pathbrite.com/your-portfolio/#portfolio-top> to prepare your electronic portfolio.

Your Lesson Plan e-Portfolio must include the following:

#### **A. YEARLY OVERVIEW PLAN**

Prepare a neatly organized Yearly Plan. This section is worth 5% of the Portfolio Grade. It should be obvious that you followed the NAD Curriculum Guide as the framework. Include all of the following:

1. Weekly dates for the upcoming school year
2. Short weeks due to vacations/holidays, field trips, or testing should be noted
3. Unit topics for bible content assigned to specific weeks
4. Notation of where weeks of prayer and outreach will be held

#### **B. ANALYZE AN ENCOUNTER LESSON PLAN**

Peruse several Encounter Units Plans for your grade level.

#### **C. ADAPT AN ENCOUNTER PLAN**

D. With Bible as the main subject area, adapt an Encounter Unit Plan for your Bible classroom. Clearly identify which Encounter Unit, grade level, and Bible subject. Activities for each type of learner must be included in the plan. The plan must be classroom ready including standards, appropriate graphic organizers, working websites, outreach and Bible activities. The Encounter Unit plan that you adapt must be different from the one that you analyzed.

#### **E. BIBLE ENCOUNTER UNIT PLAN**

Develop a Bible Encounter type unit of your own, based on a book of the Bible. Include the following:

1. Grade level
2. The Bible Book you selected
3. Overarching concepts
  - a. Bible Theme(s)
  - b. Seventh-day Adventist Fundamental Belief(s)
4. Outline and Summary of the Bible book
5. Teaching Strategies
6. Learning Activities
7. Music to reinforce the theme of the book that is appropriate for high school students

8. Video clips
9. Online or multimedia Bible games, avatars, or other activities to enforce the theme
10. Assessment
11. References

### **Submission Times and Late Work Caution**

Course assignments are to be submitted electronically to the course site, unless specifically indicated otherwise. All posts are due on Thursday 11:55 p.m. ET and all other assignments are due each Sunday at 11:55 p.m. ET. Late work is at risk of not being accepted unless prior approval is received from your professor. It is your responsibility to plan ahead and to deliver a professional product in a timely manner. If, however, you are experiencing an unusual circumstance that is impeding your progress, please contact your professor immediately regarding the situation.

### **CLASS MEETINGS - LIVE CONFERENCE**

**Required Technology.** You must have a webcam and a headset with a microphone. Such a headset can be found on [Amazon](#) or in your local stores. Many laptops have a built-in webcam, but if yours does not, you must purchase an external one or have access to one for all live sessions. Live sessions will be used in most teacher certification courses, so if you take courses with Southern again, you'll need to use a webcam and headset again. During one or more live sessions, you may be asked by your professor to turn on your webcam. You should be prepared to do so, by having both a webcam and a headset with microphone and having tried them out to be sure everything is working properly before the scheduled live session. Alternatively, your professor may ask to schedule a brief video conference with individual students, during which the same expectations would hold true.

We will have class meetings via Zoom from 6:00 to 6:55 P.M., ET on Tuesday during Weeks 2, 3, 4, 6, and 7. Sign into the Zoom class meeting room via this link provided on the course page.

Please plan to attend these meetings. If for some reason you cannot attend, listen to a recording of the meeting, answer each question asked, and write a summary of the entire session. Submit the make-up assignment with 7 days of the missed Conference session. A link to that recording will be placed in eClass in the week in which the meeting took place.
