

2025-2026 V5 Aggregate Verification Worksheet

Your application was selected, by the Federal Government, for review in a process called "Verification." In this process, Southern will be comparing what was entered on your FAFSA with your tax return information, with W-2 forms or other financial documents. If you are a dependent student we will also ask for your parents 2023 Federal tax return.

The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of the FAFSA on the Web at FAFSA.gov. If there are differences between your application information and your financial documents, Southern may need to make electronic corrections. Your initial award and changes can be viewed by logging into your account on the Financial Aid Self Service website through myaccess.southern.edu.

What you should do

- If you did not use the IRS Data Retrieval on your FAFSA, you must submit a <u>2023</u> tax return transcript or a signed copy of your tax return.
- 2. Complete and sign this worksheet. <u>Parent signature</u> is needed for dependent students).
- **3.** Submit the completed worksheet, tax forms, and any other requested documents to the financial aid office as soon as possible.

Completed verification documents must be submitted no later than the final week of the currently enrolled semester to ensure federal aid can be processed. Failure to complete the verification process will result in the loss of federal aid and in some cases, state and institutional aid as well.
